Dear Members,

It is time to elect new board members of FROG, and as such we are seeking nominations for potential candidates. Nominees will be contacted to confirm their nominations, and elections will be held in July, 2008. Nominees must be current FROG members. Individuals may nominate themselves.

The FROG board of directors meets every few months to plan and execute the activities, policy, and general direction of FROG. The meetings are held using Skype technology in a teleconference setting. It consists of four main positions (the Executive Committee) and auxiliary positions created by the board when it is necessary to do so. The new board members will elect the executive committee. The four main positions are as follows:

President. The president is the chief executive officer of FROG, presides at all meetings of the members of FROG, the Board of Directors, and the Executive Committee, and has general and active management of the business of FROG. The president sees that all orders and resolutions of the members of FROG and the Board of Directors are carried into effect. He or She executes bonds or contracts which the Board has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated to some other officer or agent of FROG by the Board of Directors. In general he or she performs all duties incident to the office of president and such other duties as may be prescribed by the Board of Directors.

Vice President. In absence, disability, or refusal to act by the president, the vice president performs the duties and exercises the powers of the president, and has all the powers of and be subject to all of the restrictions of the office of the president. The vice president may, from time to time, perform such duties and have such powers as prescribed by the Board of Directors or the president.

Secretary. The secretary keeps minutes of all meetings of the membership of FROG, the Board of Directors, and the Executive Committee. He or she sends a copy of all minutes to each member of the Board within two weeks of such a meeting, and files a copy of the minutes in an electronic database maintained for that purpose; sees that all notices are duly given in accordance with these Bylaws or as required by law; be custodian of corporate records; keeps a record of the email address, post office address, and phone number of each member who furnishes such information to the secretary; and in general perform all duties incident to the office of secretary or as from time to time may be prescribed by the president or Board of Directors.

Treasurer. The treasurer is the custodian of all corporate funds and securities and shall keep full and accurate accounts of all receipts and disbursements in computer programs or books belonging to FROG. The treasurer deposits all money and other valuables in the name and to the credit of FROG, in depositories so designated by the Board of Directors. The treasurer disburses the funds of FROG as so directed by the Board, taking proper
